After a review of the pleaded claims and defenses in this action, in the above captioned case between Plaintiff Symbolgy Innovations, LLC and Defendants Valve Corporation and Gearbox Software, LLC, in furtherance of the management of the Court's docket under Federal Rule of Civil Procedure 16, and after receiving the input of the parties to this action, it is ORDERED AS FOLLOWS:

- (a) the correct names of the parties to the lawsuit;
  - (b) the name, address, and telephone number of any potential parties;
  - (c) the legal theories and, in general, the factual bases of the disclosing party's claims or defenses (the disclosing party need not marshal all evidence that may be offered at trial);
  - (d) the name, address, and telephone number of persons having knowledge of relevant facts, a brief statement of each identified person's connection with the case, and a brief, fair summary of the substance of the information known by any such person;
  - (e) any indemnity and insuring agreements under which any person or entity carrying on an insurance business may be liable to satisfy part or all of a judgment entered

in this action or to indemnify or reimburse for payments made to satisfy the judgment;

- (f) any settlement agreements relevant to the subject matter of this action; and
- (g) any statement of any party to the litigation.

2.2. **Disclosure of Expert Testimony.** A party must disclose to the other parties the identity of any witness it may use at trial to present evidence under Federal Rule of Evidence 702, 703 or 705, and:

- (a) if the witness is one retained or specially employed to provide expert testimony in the case or one whose duties as the party's employee regularly involve giving expert testimony, provide the disclosures required by Federal Rule of Civil Procedure 26(a)(2)(B) and Local Rule CV-26; and
- (b) for all other such witnesses, provide the disclosure required by Federal Rule of Civil Procedure 26(a)(2)(C).

infringement shall identify, on an element-by-element basis for each asserted claim, what source code of each Accused Instrumentality allegedly satisfies the software limitations of the asserted claim elements.

ii. If a party claiming patent infringement exercises the provisions of Paragraph 3(a)(i) of this Discovery Order, the party opposing a claim of patent infringement may serve, not later than 30 days after receipt of a Paragraph 3(a)(i) disclosure, supplemental “Invalidity Contentions” that amend only those claim elements identified as software limitations by the party claiming patent infringement.

- (b) produce or permit the inspection of all documents, electronically stored information, and tangible things in the possession, custody, or control of the party that are relevant to the pleaded claims or defenses involved in this action, except to the extent these disclosures are affected by the time limits set forth in the Patent Rules for the Eastern District of Texas; and

4.4. **Protective Orders.** The Court will enter the parties’ Agreed Protective Order.

5.5. **Discovery Limitations.** The discovery in this cause is limited to the disclosures described in Paragraphs 1-3 together with:

- (a) For the purposes of this section (Section 5 – Discovery Limitations), Plaintiff Symbology Innovations Technology, LLC shall count as a “side” and Defendants Valve Corporation (“Valve”) and Gearbox Software, LLC (“Gearbox”) shall count as a side.
- (b) For the purposes of this section, the discovery limitations shall apply to the total amount of discovery requested collectively.
- (c) Interrogatories: Each side may serve up to 30 interrogatories on the other side. Of the Defendants’ 30 interrogatories, the Defendants may serve 10 collective interrogatories, and each of Valve and Gearbox may serve 10 individual interrogatories. If either Defendant is removed from the case, the remaining Defendant may serve 30 total interrogatories on Plaintiff.
- (d) Requests for Admission: There is no limit to the number of requests for admission the parties may serve to establish the authenticity of documents. Each side may serve up to 50 requests for admission on the other side. Of the Defendants’ 50 requests for admission, the Defendants may serve 20 collective requests for admission, and each of Valve and Gearbox may serve 15 individual requests for admission. If either Defendant is removed from the case, the remaining Defendant may serve 50 total requests for admission on Plaintiff.
- (e) Depositions
  - 1. Experts. An expert that provides a written report on more than one issue (for example, invalidity and non-infringement) or on more than one opposing party will be considered to have provided separate expert reports per issue, per opposing party. An expert who submits one report on behalf of a side

may be deposed for 7 hours by the opposing side regarding one report. An expert who submits more than one report on behalf of a side for one of the above actions may be deposed for an additional 3 hours per additional report.

2. Depositions of Parties and their Personnel. Each party may take up to 70 hours of party depositions, including both 30(b)(6) and 30(b)(1) depositions.

3. Third Party Depositions. Each side may take up to 15 hours of depositions of deponents who are not covered by (e)(1)–(2) above.

4. The limitations set forth in Fed. R. Civ. P. 30(d) apply to all depositions.

6. **Privileged Information.** There is no duty to disclose privileged documents or information. However, the parties are directed to meet and confer concerning privileged documents or information after the Status Conference. By the deadline set in the Docket Control Order, the parties shall exchange privilege logs identifying the documents or information and the basis for any disputed claim of privilege in a manner that, without revealing information itself privileged or protected, will enable the other parties to assess the applicability of the privilege or protection. Any party may move the Court for an order compelling the production of any documents or information identified on any other party's privilege log. If such a motion is made, the party asserting privilege shall respond to the motion within the time period provided by Local Rule CV-7. The party asserting privilege shall then file with the Court within 30 days of the filing of the motion to compel any proof in the form of declarations or affidavits to support their assertions of privilege, along with the documents over which privilege is asserted for *in camera* inspection.

- 7.7. **Signature.** The disclosures required by this Order shall be made in writing and signed by the party or counsel and shall constitute a certification that, to the best of the signer's knowledge, information and belief, such disclosure is complete and correct as of the time it is made. If feasible, counsel shall meet to exchange disclosures required by this Order; otherwise, such disclosures shall be served as provided by Federal Rule of Civil Procedure 5. The parties shall promptly file a notice with the Court that the disclosures required under this Order have taken place.
- 8.8. **Duty to Supplement.** After disclosure is made pursuant to this Order, each party is under a duty to supplement or correct its disclosures **immediately** if the party obtains information on the basis of which it knows that the information disclosed was either incomplete or incorrect when made, or is no longer complete or true.
- 9.9. **Discovery Disputes.**
- (a) Except in cases involving claims of privilege, any party entitled to receive disclosures ("Requesting Party") may, after the deadline for making disclosures, serve upon a party required to make disclosures ("Responding Party") a written statement, in letter form or otherwise, of any reason why the Requesting Party believes that the Responding Party's disclosures are insufficient. The written statement shall list, by category, the items the Requesting Party contends should be produced. The parties shall promptly meet and confer. If the parties are unable to resolve their dispute, then the Responding Party shall, within 14 days after service of the written statement upon it, serve upon the Requesting Party a written statement, in letter form or otherwise, which identifies (1) the requested items that

will be disclosed, if any, and (2) the reasons why any requested items will not be disclosed. The Requesting Party may thereafter file a motion to compel.

- (b) An opposed discovery related motion, or any response thereto, shall not exceed 7 pages. Attachments to a discovery related motion, or a response thereto, shall not exceed 5 pages. No further briefing is allowed absent a request or order from the Court.
- (c) Prior to filing any discovery related motion, the parties must fully comply with the substantive and procedural conference requirements of Local Rule CV-7(h) and (i). Within 72 hours of the Court setting any discovery motion for a hearing, each party's lead attorney (*see* Local Rule CV-11(a)) and local counsel shall meet and confer in person or by telephone, without the involvement or participation of other attorneys, in an effort to resolve the dispute without Court intervention.
- (d) Counsel shall promptly notify the Court of the results of that meeting by filing a joint report of no more than two pages. Unless excused by the Court, each party's lead attorney shall attend any discovery motion hearing set by the Court (though the lead attorney is not required to argue the motion).
- (e) Any change to a party's lead attorney designation must be accomplished by motion and order.
- (f) Counsel are directed to contact the chambers of the undersigned for any "hot-line" disputes before contacting the Discovery Hotline provided by Local Rule CV-26(e). If the undersigned is not available, the parties shall proceed in accordance with Local Rule CV-26(e).

- 10.10. **No Excuses.** A party is not excused from the requirements of this Discovery Order because it has not fully completed its investigation of the case, or because it challenges the sufficiency of another party's disclosures, or because another party has not made its disclosures. Absent court order to the contrary, a party is not excused from disclosure because there are pending motions to dismiss, to remand or to change venue.
- 11.11. **Filings.** Only upon request from chambers shall counsel submit to the court courtesy copies of any filings.
- 12.12. **Proposed Stipulations by the Parties Regarding Discovery.** None.
- 13.13. **Standing Orders.** The parties and counsel are charged with notice of and are required to fully comply with each of the Standing Orders of this Court. Such are posted on the Court's website at <http://www.txed.uscourts.gov/?q=court-annexed-mediation-plan>. The substance of some such orders may be included expressly within this Discovery Order, while others (including the Court's Standing Order Regarding Protection of Proprietary and/or Confidential Information to Be Presented to the Court During Motion and Trial Practice) are incorporated herein by reference. All such standing orders shall be binding on the parties and counsel, regardless of whether they are expressly included herein or made a part hereof by reference.
